WHO: MICHAEL ROMITA
WHAT: PRESIDENT/CEO, WESTCHESTER COUNTY ASSOCIATION (WCA)

WHY: Michael Romita was a scratch golfer when he was a student at Tufts University, and his first year as the head of Westchester County Association started in the rough — just as the country shutdown due to COVID-19. Romita has led the WCA's call for a recovery plan by focusing on healthcare, affordable housing, sustainability, and expanded digital connectivity. *Fore!*

WHO: WILLIAM HARRINGTON, ESQ.
WHAT: CHAIRMAN, BOARD OF DIRECTORS, WESTCHESTER COUNTY ASSOCIATION

WHY: One of the reigning elder statesmen of Westchester's business and legal community, William Harrington may indeed know everyone in the 914 (or at least it seems that way). As partner and head of the Litigation and Toxic Tort/Complex Litigation Practice Groups at prestigious law firm Bleakley Platt & Schmidt, Harrington knows his way around a legal brief. His steadfast service to the WCA has helped invigorate the local think tank on such important issues as workforce development and promotion of the healthcare sector.
