**Overview:** “PKF O’Connor Davies is a new breed of accounting and advisory firm that holds itself to a higher standard – going beyond passive value calculation to active value creation. With unmatched client focus we unlock real value hidden at key connection points of every engagement – from the industry and resource levels, to the organization and regulatory levels on the regional, national and international levels. Through these connections, our team of more than 1,400 top-notch professionals continually drives efficiencies, uncovers opportunities and manages risk – delivering value where others can’t.”

**What a Recent Hire Had to Say About Working There:** “When I first started working at PKFOD it was during Covid and I was worried I would miss out on connections and opportunities. I was relieved to find out my team and everyone was very welcoming. They provided support and guidance as I adjusted not only working at a new firm but working remotely. I felt part of the team so much that when I met them in person it felt like I had been working with them for years. I have never found an employer who truly wants to help me succeed as much as PKFOD. So many resources are provided to help make sure I am successful in my career. The work environment truly makes it feel like you are part of a PKF family.”
